HEALTHY HARVEST MOBILE MARKET

IN PARTNERSHIP WITH Anthem  

A grocery store on wheels, serving neighborhoods with limited access to healthy food.

Where do you go to buy food for your family when it takes an hour by bus to get to the nearest grocery store? What do you eat when processed food and corner-store snacks are the only things within reach, or the only affordable options? The Healthy Harvest Mobile Market is working to make it easier for our neighbors to access fresh, healthy, and affordable food. We bring the store to you, stocked with a full selection of produce and other healthy foods.
